

**The White Mountain Athletic Club will be closed effective on Monday, March 16, 4pm – Friday April 3rd, 2020.**

The Athletic Club has always been a leader when it comes to the health and well-being of our community and the people we serve. Today, with the accelerating spread of the Coronavirus, we are faced with a challenge to reduce the opportunity for the virus to spread which demands immediate action. In order to do our part in protecting the most vulnerable populations and in reducing pressure on our hospital and health care providers, we have decided to close temporarily and evaluate reopening on Friday April 3<sup>rd</sup>.

However, this may change based on recommendations from the CDC and local health departments.

The Coyote Grill Restaurant, a tenant in the building and separate industry from ours, will remain open. They can be reached at 603/236-4919.

This action is not taken lightly. We understand we are a part of your day for each and every one of you. We will continue to monitor the situation and continue to contribute to the community's well-being that does not increase the risk of spreading the virus.

We will be using our Facebook page and [www.wmacwv.com](http://www.wmacwv.com) website for further developments.
